

SIMPLE STEPS TO REDUCE LITTER

This project is funded in part by the TCEQ through a grant from the United States Environmental Protection Agency

Make sure trash can lids are secure with trash in bags and not overflowing

Don't throw trash on the ground when walking or driving and pick up trash that blows away

Reduce and reuse items like single-use plastics to prevent items from becoming litter

Guard against rain, wind, and critters — only put trash and recycling out on pick up days
